Dear Emory, 3/4/78

Sorry, I've forgotten what I wanted translated. If I think of it I'll ask again. Staying busy on FOIA matters, as the enclosed reflects.

Thanks and best,

Harold

Dear Harold:

Subject matter that you wished to have translated was I believe, newspaper and or magazine articles from Soviet publications which delt with LHO in USSR. This was about six years ago as I recall. Translator is a refugee who works with a friend. If you recall what the items were, send Xeroxes and I will have matter translated and typed up.

Regards
